### No. 8 or higher typhoon signal

When the Hong Kong Observatory officially announces that **a no. 8 or higher typhoon signal** is imminent, all lessons will be cancelled immediately. However, if the lessons are already in progress, they might be stopped immediately.

### Class restart time

**Please note that the class session will restart two hours after the lowering of the black rainstorm warning or typhoon signal no. 8. **Students who attend intensive, Wednesday's and Saturday's classes, please check the table showing the special arrangements on the next page.**
